Now, when you summon
the Devil to make a deal,
what are you trading away?

OOH OOH YOUR SOUL!

Do you know what happens
when you give up your soul?

Uhh.. I don't know

Well you go to Hell!

Hell?

YES! Now... Hell is a terrible
place full of thieves,
murderers, just overall scum

What I'm trying to say is,
wait until you find something
worthy of your soul.

Hell is a horrible place to
suffer for all eternity just
for some fairy on ice, capiche?

Looks like someone else
